Redfern Legal Centre Ltd
Notes to the Financial Statements
For the Financial Year Ended 30 June 2026

1. General information

The financial statements cover Redfern Legal Centre Ltd, a company limited by guarantee, incorporated and domiciled in Australia. The entity is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards and a registered charity under the *Australian Charities and Not-for-profits Commission Act 2012*.

The entity's principal activity was to provide legal advice and advocacy to persons otherwise unable to afford legal services, to promote community education in matters relating to law and the legal system and to contribute to law reform which will bring about social and legal change to enhance respect for human rights.

Principal place of business is 73 Pitt Street, Redfern, NSW, 2016.

The financial report was authorised for issue by the Board of Directors on 23 Octob□r 2026.

2. Changes in accounting policies

New and revised standards that are effective for these financial statements
A number of revised standards became effective for the first time to annual periods beginning on or after 1 July 2025. The adoption of these revised accounting standards has not had a material impact on the entity's financial statements.

Accounting Standards issued but not yet effective and not been adopted early by the entity
A number of new and revised standards have been issued but are not yet effective and have not been adopted early by the entity. The Board of Directors is currently assessing the impact such standards will have on the entity.

3. Summary of material accounting policy information

Financial reporting framework
The general purpose financial statements of the entity have been prepared in accordance with the requirements of the *Australian Charities and Not-for-profits Commission Act 2012*.

Statement of compliance
The general purpose financial statements of the entity have been prepared in accordance with Australian Accounting Standards – Simplified Disclosures and other authoritative pronouncements of the Australian Accounting Standards Board.

Basis of preparation
The financial statements are presented in Australian Dollars ($), which is the entity's functional and presentation currency.

The material accounting policy information that has been adopted in the preparation of this report is as follows:

Revenue from contracts with customers
Revenue is recognised on a basis that reflects the transfer of promised goods or services to customers at an amount that reflects the consideration the entity expects to receive in exchange for those goods or services.

Revenue is recognised by applying a five-step model as follows:
1. Identify the contract with the customer
2. Identify the performance obligations
3. Determine the transaction price
4. Allocate the transaction price to the performance obligations
5. Recognise revenue as and when control of the performance obligations is transferred

Income tax
No provision for income tax has been raised as the entity is exempt from income tax as a registered charity under the *Australian Charities and Not-for-profits Commission Act 2012.*

Trade and other receivables
Trade receivables are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any allowance for expected losses. Trade receivables are generally due for settlement within 30 days.

Other receivables not expected to be collected within 12 months have been classified as non-current.

Property, plant and equipment
Depreciation
The depreciable amount of all fixed assets is depreciated over the asset's useful life to the entity, commencing from the time the asset is held ready for use.

The depreciation rate used for each class of depreciable assets are:

Classes of fixed assets	Depreciation rates
Office equipment	13 – 33%
Leasehold improvements	10%

Trade and other payables
These amounts represent liabilities for goods and services provided to the entity prior to the end of the financial year and which are unpaid. Due to the short-term nature, they are measured at amortised cost and are not discounted. The amounts are unsecured and are usually paid within 30 days of recognition.

Liabilities relating to contracts with customers
Contract liabilities
A contract liability is recognised if a payment is received or a payment is due (whichever is earlier) from a customer before grant conditions are fulfilled. Contract liabilities include deferred income. Contract liabilities are recognised as revenue when the entity performs under the contract (i.e., fulfils conditions of the grant).

Comparative figures
Where required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year. With the exception of reclassifications between certain financial statement line items, comparatives are consistent with prior years, unless otherwise stated.

Significant judgement in applying accounting policies
When preparing the financial statements, the Board of Directors undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

Estimation uncertainty
Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be substantially different.

Receivables
The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An allowance for expected losses is included, where applicable, based on historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment. The allowance for expected losses is based on the best information at the reporting date.

Useful lives of depreciable assets
The Board of Directors reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical obsolescence that may change the utility of certain depreciable assets.

Long service leave
The liability for long service leave is recognised and measured at the present value of the estimated cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

Provisions
Provisions are measured at Board of Directors' best estimate of the expenditure required to settle the obligation at the end of the reporting period. These estimates are made taking into account a range of possible outcomes and will vary as further information is obtained.

Redfern Legal Centre Ltd
Independent Auditor's Report to the Members of Redfern Legal Centre Ltd
For the Financial Year Ended 30 June 2026

Opinion
We have audited the financial report of Redfern Legal Centre Ltd (the registered entity), which comprises the statement of financial position as at 30 June 2026, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and the notes to the financial statements, including a summary of material accounting policy information, and the responsible persons' declaration.

In our opinion, the financial report of Redfern Legal Centre Ltd has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012* (ACNC Act), including:

(a) giving a true and fair view of the registered entity's financial position as at 30 June 2026 and of its financial performance for the year then ended; and

(b) complying with Australian Accounting Standards – Simplified Disclosures and Division 60 of the *Australian Charities and Not-for-profits Commission Regulations 2022*.

Basis for Opinion
We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the registered entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Responsible Persons for the Financial Report
The responsible persons of the registered entity are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards – Simplified Disclosures and the ACNC Act, and for such internal control as the responsible persons determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the responsible persons are responsible for assessing the registered entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the responsible persons either intend to liquidate the registered entity or to cease operations or have no realistic alternative but to do so.

The responsible persons are responsible for overseeing the registered entity's financial reporting process.

Redfern Legal Centre Ltd
Independent Auditor's Report to the Members of Redfern Legal Centre Ltd
For the Financial Year Ended 30 June 2026

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for audit of the financial report is located at the Auditing and Assurance Standards Board website at: http://www.auasb.gov.au/Home.aspx. This description forms part of our auditor's report.
