OUR VISION, PURPOSE AND VALUES

Redfern Legal Centre (RLC) exists to serve some of the most vulnerable members of the community, fiercely advocating on their behalf.

HOW WE HELP

Andy* was a young man with multiple health issues, having undergone a double lung transplant. His only income was the Disability Support Pension. Severe damp and mould problems in his Housing NSW unit exacerbated his health conditions. Andy applied and was approved for a transfer based on a medical assessment but months later, remained languishing without an alternative property.

Over a five-month period, RLC's tenancy advice service was in constant communication with Housing NSW to try to expedite the transfer. When Andy was hospitalized for two weeks, RLC's discrimination practice obtained instructions and lodged a complaint of disability discrimination with the Australian Human Rights Commission on the basis that being forced to live in damp and mouldy premises endangered his health. RLC was able to resolve Andy's issue and we continue to advocate for systemic change so that other clients will not suffer this kind of indirect discrimination.

DONATE TODAY

RLC has experienced significant funding cuts and we urgently need to raise money so that we can continue to provide access to justice for vulnerable groups in our community. With your support, our hard-working staff and volunteers can continue to ensure that the justice system supports those who need it the most.
