The Stolen Generation Reparations Scheme is closing on 30 June 2022. Redfern Legal Centre can help you apply.

We would like to invite First Nations Elders who may be eligible under the Stolen Generations Reparation Scheme for ex-gratia payments to come and talk to us **as soon as possible**.

If you or another First Nations person are a surviving member of the Stolen Generations and **were removed by, committed to, or otherwise came into the care of the New South Wales Aborigines Protection or Welfare Boards before June 1969**, you may be eligible for assistance.

We can give you free and confidential advice about the **Stolen Generations Reparation Scheme & Funeral Fund**. We can also chat to you about other legal issues or concerns that may be troubling you.
